My Vision for MBK - by Stewart Woodruff, Proprietor

MBK's quality of service will be recognised locally and by associated industries as the benchmark to which others should aspire. Our customers will value any contract above those of our competitors

MBK's Purpose

To complete "stress free" home improvements
that will enhance our clients' lives

MBK's Values

1. Honesty and truth
2. Adaptability to each client's needs
3. Value for money
4. Availability to provide independent advice
5. Aspire to complete to clients' satisfaction

MBK's Goal

To be a company with recognised quality offering an unequalled
service

Our aim is to complete "stress free" home improvements, which enhance our client's routine.

The company has been in business since 1987 years and in that time has completed over 5,000 contracts.

We will only deal with companies that have a proven track record in quality and reliability.

We are truly independent and will specify goods that only fulfil our client's needs.

Our aim is to be one step above the normal retailer. Our designs are created with YOU in mind. We will do everything in our power to ensure that your home improvement is ready on time and that YOU'RE completely happy with it.

Let us help YOU design YOUR home improvement and add YOU to our long list of delighted customers.

We constantly monitor the installation work and ensure that all work is completed to a high standard.

MBK will only work with Installation teams who are Trading Standard Approved and contractors who agree to adhere to our Code of Conduct

MBK are a member of the Federation of Small Business and an accredited dealer of DryTreat products
